

Research Experience:

- 2013 **“Cyclical Loading of Three Reconstruction Techniques for Chronic Achilles Tendon Rupture”.**
Jones JA, Katchis S
Winner 2013 Lenox Hill Research Award
Submitted for publication.
- 2013 **“Location of the Posterior Interosseous Nerve in Relation to the Radial Tuberosity in Flexion versus Hyperflexion.** Orthopedics. 2013 Jul;36(7):e931-5.
Jones JA, Jones C, Grossman M.
- 2013 **“Biomechanical Strength Comparison of Three Techniques for Reconstruction of Chronic Achilles Ruptures.”** Paper written and submitted
Project Director: Stephen Nicholas, M.D.
- 2011 **“Loss of Elbow Flexion is Associated with Overstuffing the Radiocapitellar Joint During Radial Head Arthroplasty in a Cadaveric Model”** Stony Brook Orthopaedics: Annual Research Journal, vol. 6, 2010-11. Lantry J, Jones JA, Barzideh S.
- 2011 **“Drilling of Femoral Sided Tunnels in Posterior Cruciate Ligament Reconstruction: A Cadaveric Comparison Between Two Techniques.”** Stony Brook Orthopaedics: Annual Research Journal, vol. 6, 2010-11. Doner G, Penna J, Jones J.
- 2011 **“PRP or PRGF? Standardized Definitions are Needed.”** Shoulder Elbow Surgery. 2011. Jan: 20(1): e24. Mallo GC, Gitelman A, Jones JA, Grossman M.
- 2011 **“Proximity of Posterior Interosseous Nerve in One Incision Endobutton Technique of Distal Biceps Repair”** Jones, JA
Research Finished, Writing paper for submission
- 2009 **“Exuberant Synovitis After Subacromial Decompression and Platelet Rich Growth Factor (PRGF) Injection”**
Mallo GC, Jones JA, Gitelman A, Grossman M. J Shoulder Elbow Surgery, 2010 May 6.
- 2009 **“Catastrophic Polyethylene Failure Diagnosed with Magnetic Resonance Imaging in a Painful Total Knee Arthroplasty”**
Mallo GC, Stanat SJ, Jones JA, Capozzi JD, Luchs JS. J Arthroplasty. 2010 Mar 22.
- 2006-2007 **“Fracture Risk Assessment in Postmenopausal Women.”**
Hamdy, RC. Review in Endocrine and Metabolic Disorders. 2009 Oct 2.
Project Director: Ronald Hamdy, ETSU Geriatrics

--Non-orthopaedic publications have been removed--

Presentations:

- 2013 **“Cyclical Loading of Three Reconstruction Techniques for Chornic Achilles Tendon Rupture”** West Point Orthopaedic Research Day. June 20th, 2013.
- 2012 **“Recurrent Shoulder Instability”** Atlantic Health Podium Presentation. Morristown, NJ. November 19th, 2012.
- 2012 **“Surgical Shoulder Anatomy”** 2nd Annual Stony Brook Sports Symposium. Stony Brook, NY. May 11th, 2012. Podium Presentation
- 2011 **“The Proximity of the Posterior Interosseous Nerve in the Two Incision Approach for Distal Biceps Repair”**
2011 Winthrop University Hospital Research Day. Mineola, NY. April 23rd, 2011. Poster Presentation
- 2010 **“Glenohumeral Arthritis in the Young Patient”**
Stony Brook University Podium Presentation, Stony Brook, NY. Oct. 10th, 2010.
